

METAL SHIELD

PROTECT YOUR METAL SURFACES

Metal Shield is a thick surface protection film formulated for application to existing metal surfaces and to replicate a Stainless Steel, Brushed Aluminum or Brushed Gold finish. This material is printable.

- Proprietary adhesive that cleanly releases from the surface but withstands removal attempts from general public
- Protects the surface from future damage while covering up an existing vandalism

SURFACES PROTECTED BY METAL SHIELD PRODUCTS INCLUDE:

- Elevators
- Escalators
- Restroom Partitions
- Sign Posts
- Fuel Pumps
- Wall Panels
- Vending Machines
- Vending Ticket Machines
- Fast Food Counter Tops

Did you know that Metal Shield is up to 79% less than fixing or replacing. This drastic savings not only makes business sense, but it's better for the environment and your bottom line.
